### QUALIFICATIONS:

- ✓ Board Recognized Fluency Specialist
- ✓ Masters Degree in Speech Pathology
- ✓ Licensure in New York and Florida
- ✓ 27 years of experience
- ✓ Serves on national boards improving the lives of those who stutter
- ✓ Taught fluency disorders at the college level for 10 years
- ✓ Speaks professionally on the topic of stuttering and its treatment
- ✓ Owns speech therapy practice dedicated to treating only those who stutter

### TREATMENT PHILOSOPHY:

Stuttering is a complex, multidimensional problem. Stuttering requires an **individualized treatment plan** that is tailored to the needs of the client. I believe that during the course of treatment, all people who stutter are able to make positive changes, improving their quality of life.
